KAYLA HERLIHY

Kayla started with Rob Spring Photography in 2009 after graduating from Saint Rose with a BFA in Graphic Design and a Minor in Art History. Working with Rob over the last several years has helped her not only become a better photographer, but she has also honed in her cheesy joke skills. When not behind the camera, you can find her at her computer working as a Graphic Designer. Kayla loves to keep your wedding day as fun as possible while capturing all the best moments, leaving you with memories that last a lifetime. She's also a fantastic groomsman wrangler when they go missing at the bar. Growing up in the Lake George / Glens Falls region, Kayla loves to go skiing with her three boys, Shane, Jake, and husband Josh.

SARAH COLLINS

Sarah is originally from Canada (eh!) but grew up on Long Island. She has been working at Rob Spring Photography since the summer of 2015. When she is not shooting weddings she enjoys traveling the world and hanging out with her two adorable cats. . .and her adorable husband. Things you can expect from Sarah on your wedding day are copious amounts of dad jokes, lots of smiles, and some pretty sick dance moves. Sarah loves living in Saratoga Springs and her 5 minute commute to the studio everyday.
